

Action plan based on the student feedback received in the spring semester of the 2024/2025 academic year

Department: Department of Biophysics and Radiation Biology
Faculty: General Medicine

Reflection on the implementation of the previous period's action plan ("implementation review"):

-

Our feedback on general comments by the students:

-

Our feedback on specific comments on mandatory subjects:

[Biophysics 2]

Feedback: 346 students, 124 completed questionnaires, 17 comments. Mostly positive remarks. Some students find the material difficult to follow.

Action: **not required.**

[Biophysics 2 Practice]

Feedback: 346 students, 118 completed questionnaires, 17 comments. Positive remarks on practice teachers. Some struggle understanding math and Excel. Criticism toward some Tas.

Action: **personal consultation with lab insturctors.**

Our feedback on specific comments on elective subjects:

[Introduction to MR Imaging]

Feedback: 6 students, 4 completed questionnaires, 1 comment. Organizational issues: schedule and requirements were not fixed beforehand.

Action: **make schedule and requirement clear in the beginning.**
